

Dockers' and WeWork present:

# ALWAYS ON SESSIONS

---

## CRYPTOCURRENCY

What is the future of blockchain in the art market, healthcare, and government?

We've teamed up with WeWork on a happy hour featuring some of Boston's crypto entrepreneurs and influencers. Stop by to hear them speak, enjoy a beer, and go home with a pair of Khakis. ID/PF required.

Guests who post a photo to Instagram at the event with the hashtag #DockersAlwaysOn will be eligible to win one-month all-paid membership to WeWork Boston.
