

If your home was built before 1978, you may be exposed to lead paint.

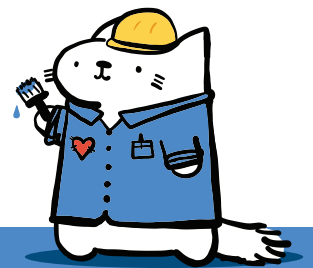

Lead exposure can cause serious health issues, especially for children.

Come to the **Lead Paint Safe Somerville** Information Session

Thursday, June 14, 2018 @ 7pm
East Somerville Public Library, 115 Broadway

Learn how our program can help you eliminate the risk from your home.

Lead Paint Safe Somerville is a limited-time program that provides assistance to control lead hazards in Somerville housing units. Income restrictions apply. Tenants may qualify landlords for participation.

Apply for the program today:
